

SOUTH FAYETTE TOWNSHIP

COMMUNITY BULLETIN BOARD USE POLICY

The Township of South Fayette has adopted the following Policy for the operation of the community Bulletin Board located next to Route 79.

All Bulletin Board messages will originate at the office of the South Fayette Township and will be the sole responsibility of the Township.

All Bulletin Board messages will relate pertinent community information to Township Residents pertaining to but not limited to community events, activities and information

The Township is under no obligation to post any material from an outside source. However, based on available space the Township may allow notification of special events open to the general public sponsored by non-profit Township based groups and/or organizations. Such notifications shall run for no more than two weeks in a six (6) month period. All applications for space must be submitted to the Township Manager on a prescribed Township application no later than one (1) week prior to the desired announcement date. The Township Manager shall authorize all announcements. A party may elect to be heard before the Township Board of Commissioners regarding any refusal by the Township Manager to televise their announcement.

No commercial announcements will be posted on the Community Bulletin Board.
